

Lake Villa Man Wins 2 Awards

Army Spec. 4 William R. Bollam of Oak Knoll, Lake Villa, son of Mr. and Mrs. William Bollam, has received the Bronze Star for heroism and Air Medal.

Bollam received his awards for action in the Vietnam War during the period of June 5 through July 18, 1969.

The citation for the Bronze Star reads:
"For heroism in connection with military actions involving conflict with an armed hostile force in the Republic of Vietnam."
"Spec. 4 Bollam distinguished himself by valorous actions on July 18 while serving as a rifleman with Co. 8, 6th Bn., 31st Infantry on an airborne operation."

"After coming into contact with a suspected hostile bunker, Specialist Bollam, disregarding his personal safety, boldly entered the enemy position, fearlessly taking three of the enemy prisoner."

The Air Medal citation reads:

"During the period June 5 through July 18 he actively participated in 25 aerial missions over hostile territory in support of counterinsurgency operations."

"During all of these flights, he displayed the highest order of discipline and acted in accordance with the best traditions of the service."

Trustees Okay Village Hall Addition Contract

The Antioch Village Board Monday night awarded a contract for \$46,320 for an addition to the Village Hall to house the Antioch Police Department.

Successful bidder for the contract was Benes Construction Co., of Antioch.

Two other bids were received. They were M. W. Heath and Son of Antioch, for \$47,000 and Blomquist Builders, Waukegan, with a bid of \$54,169.

Construction on the new addition is expected to begin shortly with completion as soon as possible.

In other action the trustees approved two zoning changes in upholding the recommendations of the Antioch Zoning Board of Appeals.

The first was for a change from B-1 business to R-5 residential property at 427 Orchard St. Petitioner was Frank Rhode as trustee.

The second change was from R-4 to R-3 business property of Alvin Nelson at 575 Drom Court.

The board of trustees also voted to annex the property on Rte. 83 of the Faith Evangelical Lutheran Church and entered into an agreement to extend sewer and water to the church property.

The village was also commended in a letter from the Antioch Grade School board for the village's action in supplying school crossing guards at the Methodist Church and the main school building.

The board also voted to accept a bid of \$9,900 from the Guntie Concrete and Construction Co., of Kansas City, for repairs to the trickling filter beds at the sanitary plant.

The board also voted in favor of a one-day teen-age march on Sept. 21 for the benefit of St. Jude's Children's Research Hospital in Memphis, Tenn.

In other action the board agreed to advertise for bids on a trunk sewer to go down Turner Drive, Crest Lane and Hillside Avenue. Bids will be opened at 8 p.m. on Oct. 6.

The trustees also approved the hiring of Robert Odson to the fire department and voted to send Antioch police officer Harold Mason to breather school from Oct. 20 to 24.

It was also agreed that Trustee Vern Barnstable would attend a meeting of the Lake County Municipal League set for Sept. 19, at 8 p.m.

Boys Town Choir To Entertain

Music enthusiasts are in for a new experience on Monday, Sept. 29, at Waukegan High School West Campus Auditorium when the Boys Town Choir comes to Waukegan on its 22nd national concert tour. This unique artistic group is composed of formerly homeless boys who now are citizens of Father Flanagan's Boys' Home, Boys Town, Nebraska.

Under the able direction of Rt. Rev. Msgr. Francis P. Schmitt, the choirboys, ranging in age from 10 to 18, project their artistry in programs varied to include the glorious polyphony of the 16th century composers, the lilting Viennese waltzes and the gayety of folk songs of all nations.

The Boys Town Concert Choir, to be heard here under the auspices of Local No. 423 Waukegan Fire Fighters is one of three choirs at Boys Town. More than 200 of the 900 citizens of the City of Little Men take part in the vocal music program, while other hundreds study instrumental music.

The 1966 tour called for more than 50 concerts in the midwest, eastern states and Canada, over a nine-week period. Still, Father Schmitt and his charges found time to practice Christmas music in preparation for a heavy schedule of broadcasts and appearances during the holiday season.

Members of the Antioch Rotary Club and high school Interact Club join in presenting ACHS Supt. Albert Dittman with one of the three major gifts. They are, from left, Rick Nelson, president of Interact, Mike

PMA Gives Awards To 4-Hers

The Cissna Park Go-Getters 4-H Club of Iroquois County was awarded the grand championship the night of September 15, at Kankakee, in a 12-county 4-H dairy promotion program sponsored by Pure Milk Association this past summer with the cooperation of the University of Illinois Extension Service and the American Dairy Association of Illinois.

Competing in the program were 47 Illinois 4-H clubs with an estimated total membership of 1,100 boys and girls in Bureau, Cook, DeKalb, Ford, Iroquois, Kane, Kankakee, Lake, LaSalle, McHenry, McLean and Will counties.

The grand championship award, a traveling trophy, was won by the Cissna Park Go-Getters 4-H Club for doing the most effective job promoting milk and other dairy products. The club's leader is Richard Muehlhans, Rt. 1, Cissna Park.

Rotary Donations Are Put To Work

Last Spring, the Antioch Rotary voted \$800 to purchase needed items for Antioch High School. Acting on this appropriation, a

committee representing the Rotary, the Interact Club, and the high school reviewed various needs, finally making a recommendation that the funds be used to purchase concrete benches for the patio, an exercise machine for strengthening the legs and particularly the knee, and a physical therapy table for the athletic room.

The Interact Club functions within the high school in a fashion similar to the way the Rotary Club operates in the community. Their object is service and fellowship.

Although this group was organized last year, they will be receiving their charter in about four weeks.

The club has a membership of 35 boys and meets every Wednesday at the Interact Lounge, 322 Depot St., Antioch.

Some of the projects of the club are sponsoring an employment service for high school boys, several athletic and sports tournaments, and a forthcoming bus trip to Iowa State University.

The course is designed to prepare junior bank officers to move into more responsible positions.

Students Honored

During the summer vacation, ten Antioch Community High School students donated some of their time to the Veterans Administration Hospital at Downey as Youth Volunteers.

In a letter from Robert R. Howard, the Assistant Director of Voluntary Service to the Superintendent of Antioch Community High School, Albert Dittman, they were commended for their devotion to their assignments and "their value toward the rehabilitation of our veteran patients is immeasurable."

The names, hours contributed and area of assignments of these students are: Krista Barlow, 66 hours in Nursing Service; Bruce Barnes, 12 hours in Pharmacy; Laurie Chamel, 123 hours in Nursing Service; Dinah Clemons, 24 hours in Recreation; Cheri Crawford, 60 hours in Nursing Service; Barbara Druce, 60 hours in Nursing Service; James Kempki, 24 hours in Manual Arts Therapy; Linda Sheldon, 31 hours in Recreation; Kathi Walpole, 60 hours in Nursing Service; and Candy White, 43 hours in Recreation Service.

Supervisors Defend Handling Of Cases

Lake County's supervisors of general assistance found themselves in agreement on an issue at a meeting held last week to discuss handling of township welfare cases.

The meeting was called by County Board Chairman Robert W. Depke as the result of a letter sent to Supervisor Ronald Coles of Lake Villa Township from Ruth Zaugg, R.N., director of the Planned Parenthood Family Planning Services of the Lake County Community Action Project.

In the letter, Mrs. Zaugg referred to a report at a recent CAP board meeting on what was termed inadequate health care through the County Hospital and poor quality care at the prenatal clinic.

Marjorie Smiley, representing Mrs. Zaugg at Wednesday's session with the supervisors, led off the discussion with reports of patient displeasure at the way they were dealt with. Following her

presentation, nearly all of the supervisors of general assistance present had something to say in defense of their offices, praise for the County Hospital, and the manner in which patients are treated there.

One supervisor told of persons seeking assistance in maternity cases who become indignant when asked to give pertinent information, though they are requesting free prenatal care and delivery. Another said it is difficult to justify the expenditure of taxpayers' money in some pregnancy cases. "We owe it to the people," he said, "to learn as much as we can about a case before we authorize an expenditure." Still another supervisor said he doesn't know of one of his contemporaries on the Board who doesn't handle these cases with delicacy. "Many," he said, "have been burned financially because

McClory Supporting Pollution Measure

Congressman Robert McClory (Republican-Illinois) has joined more than 150 other Members of the United States House of Representatives in supporting a \$1 billion appropriation for water pollution programs for the current fiscal year.

In announcing his decision, Congressman McClory declared: "I have given the most careful consideration to the budgetary and inflationary aspects of increased funds for water pollution projects in which state and local communities contribute a propor-

tionate share. In my opinion, the best interests and possibly even the survival of our nation depends on the fight to reduce water pollution and to restore clean water to the communities of America.

"It seems quite inconsistent to devise a water pollution program and to authorize substantial Federal funds for this purpose and then to withhold the necessary appropriations. The continuing pollution of Lake Michigan as well as other vital waters serving the 12th District of Illinois persuade me to reach this decision.

"There appears to be overwhelming citizen support for the allocation of adequate Federal funds. I am pleased to join with more than 150 other members of the U. S. House of Representatives, both Republicans and Democrats, in urging full funding of construction grants under the Clean Water Restoration Act."

Congressman McClory, a member of the House Judiciary Committee, served during an earlier Session of Congress in conducting a comprehensive water pollution control investigation. He has participated in the formulation of pollution control programs as developed in the U. S. Congress.

Congressman McClory is also sponsor of legislation for a specific Federal grant to augment a \$35 million bond issue approved by the voters of the North Shore Sanitary District which serves the 12th District territory adjoining Lake Michigan.

Antioch Enrollment At 1,262

Antioch Community High School's enrollment has reached a new high in 1969-70.

The total enrollment is 1,262 students. Broken down by classes and sex there are 140 senior boys, 118 senior girls; 172 junior boys, 142 junior girls; 155 sophomore boys, 173 sophomore girls; 169 freshman boys and 173 freshman girls.

The boys totals outnumber the girls 656 to 606 and the freshman class is the largest with 363, followed by the sophomores with 328, the juniors with 314 and the seniors with 256.

Memorial Unveiling Sunday

Sunday will be a big day for Antioch.

At 2 p.m. on Sunday the Veterans' Memorial Committee will unveil the monument honoring Antioch area servicemen.

According to Kenneth Liddle, chairman of the committee, Capt. Patrick Quinn, Chief Supply Officer of the Ninth Naval District, Great Lakes, will be the dedication speaker at the memorial site in front of the Village Hall.

The monument was designed by Emil Buehler, Round Lake Beach, and paid for by donations from area businessmen, private citizens and service and civic organizations.

The Village has also installed a new flag pole at the site which will be lighted so that the flag can be flown 24-hours-a-day.

The Antioch American Legion Post 748 and the Antioch V.F.W. Post 4551 are extending an invitation to everyone to attend the ceremonies dedicating the War Memorial.

The committee also wishes to thank all who contributed toward making the monument possible, Liddle said.

Other members of the committee include Bernard Stadick, John Horan, Jr., Edward Frazier, Chester White and Fred Elam. The ceremonies will begin with a welcome by Commander Jim Horton of the VFW Post and an invocation by the Rev. Father Savage of St. Peter's Catholic Church.

Michael Granger, senior vice commander of the Antioch VFW will lead the pledge of allegiance and short speeches will be given by Mayor Ray Toft, Commander C. E. Warnecke, 10th District American Legion, Commander Richard Anderson, 5th District VFW.

Kenneth Smouse, Antioch High School teacher will act as master of ceremonies.

Past Commander Stadick, of the American Legion Post, will read the names on the monument after it is unveiled by Mayor Toft and two assistants.

The Rev. Donald Cobb of Antioch Methodist Church will give the benediction. Music for the program will be supplied by the Great Lakes Navy Band.

Vote Next Tuesday

Next Tuesday is primary election day—when voters will select four candidates to run in the general election in November for delegate to the state's Constitutional Convention.

There are six candidates vying for the four spots on the November Ballot. You can only vote for two in the primary and then two again in the general election.

The candidates in the 31st Senatorial District, in which we reside, include Mrs. Mary Pappas, Harry O. Kilbane, Robert G. Klebe, Harold Wilson, John Wenum and Glenn Renier.

County Board Action

Lake County Board members rejected a motion at its meeting last week to have the judiciary committee make recommendations to the chief circuit judge regarding the upcoming trial of a former supervisor.

Assistant Supervisor Rolland Sandee of Waukegan Township offered the motion suggesting that special counsel be retained in place of State's Attorney Jack Hoogasian. Sandee said the Board and the State's Attorney's office has been put into a delicate position by the indictment.

The chairman of the judiciary committee, Supervisor Robert Dickson, said he didn't think the Board had the authority to make such a recommendation.

Hoogasian, who was present for a portion of the debate, was asked if he cared to comment. He told the board members, "You people amaze me. I am not fearful of anyone. You do not have the power to request a special prosecutor. I was elected by the people of this county to represent them and I intend to do so."

Sandee's motion was defeated on a roll call vote of 23-10 with one voting present.

Retailers in the unincorporated area of Lake County are going to pay more tax effective Oct. 1. The County Board of Supervisors voted to provide for a change in the rate in accordance with bills passed during the 1969 session of the General Assembly, governing the county retailers and occupation tax.

A hike of one-quarter of 1% is allowed under the new Illinois law. The increase may bring the county an additional \$50,000 per year.

A single zoning change was approved by action of the County Board. A request from Arthur Meyer to rezone from UR-3 to commercial business along Rte. 21 south of Antioch for a retail store was granted. In other action, the Board denied a petition on behalf of Andrew and Albina Furlan to rezone a lot east of Sheridan Road north of Waukegan.

for a two-family dwelling unit; tabled a request to permit a trailer storage area near the entrance to Chain O' Lakes State Park; and deferred action on a proposed shopping center at the intersection of routes 120 and 45 east of Grayslake.

A text amendment concerning non-conforming lots, created as a result of highway acquisition was approved.

Fees for home nursing service provided by the County Health Department can now be collected by department personnel following approval of an ordinance amendment. Previously the Health Board, as an appointed citizens group, had been handling collection.

Also approved was a hike in the daily charge to other counties for youths under their jurisdiction being detained at the Lake County Youth Home. The increase is from \$10 to \$15 per day.

Board Chairman Robert W. Depke nominated and the full board approved the appointments

of Walter Maki of Winthrop Harbor and Rudolph Magna of Round Lake to the Zoning Board of Appeals; John L. Schmidt of Deerfield and James J. Perry of Lake Forest to the Regional Planning Commission; and John Cline of Waukegan to the Health Service Planning Committee.

Approval was given by Board members to a resolution providing for the right to condemn property for the North Libertyville Estates Flood Control Project. The State of Illinois was allocated \$350,000 to construct a dike along the Des Plaines River adjacent to the subdivision to prevent flooding of homes, which has been a regular occurrence in years of heavy rain.

The county has been acting on behalf of the state in acquiring easements but ran into opposition from about eight homeowners. The eight wanted filling in a ditch which will be created by grading of the dike.

After some discussion it was

A Job Well Done

Lake County Superintendent of Schools W. C. Petty is going to call it quits after four decades

We will be sorry to see him go.

Petty, who is dean of the state's school superintendents, has devoted his life to the educational field and was a school teacher, principal and superintendent before taking on the county job some 40 years ago.

He was the organizer of the Special Education Joint Agreement District of Lake County to benefit students who could not be adequately educated in regular classrooms.

Because he is retiring shortly, don't count him out yet.

He will be in office until August 1971.

And he still has much to do.

And knowing Bill Petty he will get it done before he turns over the reins to his successor, whoever that might be.

The job is a big one and growing bigger every day.

We don't know who that successor might be but we hope that it will be another Bill Petty.

Constitution Week

This is constitution week, established by presidential proclamation, to encourage citizens to learn more about our Constitution and to build and cite good citizenship.

It is a week to emphasize the vital relation of citizenship to the constitution.

Ours is a country dedicated to law and order and respect for individual rights, which our constitution guarantees. It is this alone that sets us apart as the luckiest people on the face of the earth.

It is appropriate therefore, that seven days of the year, at the least, should be set aside in honor of that great and glorious instrument, the Federal Constitution.

The democratic experiment launched on these shores almost two centuries ago has provided us with many blessings. At the base of that experiment and those blessings stands our Constitution.

Constitution -- as we know it -- and citizenship are inseparable. Without the rights guaranteed, and duties imposed by our Constitution, citizenship would be only an empty word.

Democracy remains the greatest experience of all mankind and the American Constitution is in many respects, the father of democracy as it is known to the world today.

We should never forget that our obligations as United States Citizens are to safeguard our constitutional liberties in order that our children and grandchildren may also enjoy these privileges in the years to come.

Nowhere else on earth is there so great a sense of political security as there is here, where the causes of freedom eternally prevail.

Americans, old and new, native born and naturalized, reap the blessings of our constitutional course, providing justice and equality in a larger sense and on a broader scale than anywhere else.

Let us hail this week that great, remarkable declaration of human rights, the Federal Constitution.

Long may it prevail.

Letters to the Editor

An Open Letter to Charles Laine, student at Antioch Community High School
Dear Charles:

I feel that I know you. I have met a good many Charles Laines in my experiences, young men like yourself who have been taught to believe that they are the only important people in the world.

I want to tell you, Charles, that I don't think you're very important at all, certainly not in comparison to the hundreds of other students who go to school with you at Antioch Community High School and definitely not in comparison to the hundreds of citizens who financially support that "free public school" which you have chosen to scorn.

Individual liberty is important, of course, but not when it threatens the rights of others. By bringing suit against Antioch High School, its administrators, and its board of education, you are endangering the effective operation of that school, which is provided to serve HUNDREDS of students, NOT JUST YOU.

If your suit is upheld in court, the door will be open for chaos in that school. Any student who prefers his own ideas instead of accepted school policies can and will challenge the authority of the school. Anarchy will reign and the institution will fall. I, for one, don't want to see that happen.

I'm sure you are a reasonably intelligent young man. I hope you remember that the rules which govern dress and grooming at Antioch High were established by your fellow students as well as the faculty and administration of the school. All facets of life in America are governed by the "will of the majority." And no one individual ever has the right to oppose that will. Do you dare to insist upon your own preferences in spite of the wishes of several hundred other students?

If you are a loyal advocate of personal freedom, I suggest you read the writings of Aristotle. He is probably the champion of all lovers of freedom, yet you will note that in the area of education, he insists, as I do, that discipline is essential.

Karen Lightsey Galgan
Note to Editor: I am an alumna of Antioch High School, and I have taught there during summer session and as a substitute teacher.

To the Village Trustees of Antioch, Illinois:

This is a follow-up letter regarding conditions at the north end of Parkway Avenue. As of this date the weeds have not been cut on the property at the corner of Parkway and North Ave. This is an open and direct violation of a city ordinance. Standing and watching my 10 year old daughter sneeze and eyes water, due to the fact we are only about 50 feet from this jungle, I feel, as a father, this condition has come to a point where I am taking action. The stop sign at North Ave. is almost completely covered with weeds and tree branches, also I am sending a sample of the brown tea, sorry, it's called water, which comes from our water faucet, to the State Board of Health Dept., Springfield, Ill.

Also, almost every street in Antioch has been re-surfaced in some way, but not Parkway Ave.

I wish a reporter from this newspaper would take a look at this condition for the health and safety of the community. Will any other residents on Parkway join me in this step?

By the way, fellows, remember to be on the sidewalk and smile and shake hands next election day.

Also a taxpayer,

Your Congressman Reports....

By Cong. Robert McClory

The United States Congress will be the scene of historic debates when it considers President Nixon's proposal for "revenue-sharing" later this year.

The revenue-sharing measure represents a trend toward decentralization of government—the first such trend in almost 30 years. In urging the Congress to authorize a return of a portion of Federal revenues to the states, the President has emphasized that there must be "no strings attached."

The Administration plan has been developed by Dr. Arthur F. Burns, noted economist and Counselor to the President. As described by President Nixon, it would authorize one-sixth of one percent of total Federal revenues, or approximately \$500 million, to be distributed to the States and local governments beginning in 1971. This figure would increase to one percent of Federal revenues, or more than \$5 billion, by 1976.

The formula for distribution of funds would be based primarily on population, with the larger states receiving the greater portion of the allocated funds. However, those States which themselves assume a large measure of responsibility would be rewarded with a bonus.

For instance, New York's population would entitle it to receive \$93 million during the first year. But since that state's revenue effort is better than the average, it would receive a \$15 million bonus, or a total of \$108 million. Illinois' revenue effort is below the average and this would result in a smaller federal payment than the state's population would indicate.

A few objections to the revenue-sharing plan have been voiced. Former Congressman Thomas Curtis of Missouri has contended that it is wrong in principle to authorize funds to be expended by a unit of government than that which produces the revenue. However, the revenue-sharing plan is designed primarily as an alternative to the continued proliferation of so-called "categorical" grants-in-aid. The sponsors of the revenue-sharing plan argue that the Federal government has gained control of major sources of tax revenue but that local governments can administer funds for local purposes more wisely than a remote bureaucracy in Washington.

The revenue-sharing plan has been received enthusiastically by most governors, mayors and county executives. According to Dr. Burns who formulated the Nixon Plan, the Administration's revenue-sharing program constitutes an "historical breakthrough" that will help "simplify government and return the power they once had."

This is the objective of the Nixon proposal for revenue-sharing. This is the issue which will soon come before the Congress of the United States.

Supreme Court Clarifies Tax Question

In its written opinion of last week, the Illinois Supreme Court cleared up some of the questions concerning reporting taxable gain or loss on property acquired prior to August 1, 1969, for State Income Tax purposes, the Taxpayers' Federation of Illinois reported today.

In short, the Court said that in computing taxable gain on property acquired prior to Aug. 1, 1969, the basis is the date of acquisition value or the Aug. 1, 1969, value, whichever is greater; in computing a deduction loss on property acquired prior to Aug. 1, 1969, the basis is date of acquisition value or the August 1, 1969, value, whichever is less.

A few of the Courts' examples will illustrate the application of Aug. 1, 1969, valuation limitation:

1. August 1, 1969, valuation cannot be used to increase taxable gain. Stock purchased on April 1, 1968, at \$10 has a value of \$5 on August 1, 1969, and is sold for \$10 on October 1, 1969. There is no gain.

2. August 1, 1969, valuation cannot be used to increase deductible loss. Stock purchased on April 1, 1968, at \$10 has a value of \$15 on August 1, 1969, and is sold for \$10 on October 1, 1969. There is no loss.

3. August 1, 1969, valuation can be used to decrease taxable gain. Stock purchased on April 1, 1968, at \$10 has a value of \$15 on August 1, 1969, and is sold for \$20 on October 1, 1969. The taxable gain is \$5.

4. August 1, 1969, valuation can be used to decrease deductible loss. Stock purchased on April 1, 1968, at \$15 has a value of \$10 on August 1, 1969, and is sold for \$15 on October 1, 1969. The deductible loss is \$5.

5. A fifth illustration which is a combination of examples 1 and 4, occurs when stock is purchased on April 1, 1968, at \$20, has a value of \$10 on August 1, 1969, and is sold for \$15 on October 1, 1969. There is no gain. There is no deductible loss.

In its 14 page opinion the Court confirmed its judgment order issued July 25, 1969, in which it upheld the Constitutionality of the State Income Tax Act passed by the General Assembly in June.

Enforcement Aid Pushed By McClory

Addressing a meeting of the International Association of Chiefs of Police in the Dupont Plaza Hotel, Washington, D. C., Congressman Robert McClory (R-Ill.) called for an appropriation of \$20 million to fund the activities of the National Institute of Law Enforcement and Criminal Justice.

Congressman McClory, sponsor of the amendment creating the "Nat'l Institute" which was incorporated in Omnibus Crime Bill of 1968, decried the lack of Federal support for the National Institute which he described as "the center for research and development projects and as the main stimulus for new techniques, systems, equipment and devices to aid the professional policeman."

Congressman McClory also urged that the activities of the National Institute should be expanded to provide regional training centers for the more than 400,000 local law enforcement officials.

In describing the proper role of the Federal government in the field of law enforcement, the Congressman declared:

"There is an overriding Federal responsibility to provide guidance, direction and intelligent leadership to meet the needs of better law enforcement. This Federal responsibility can be effectively carried out through a National Institute, an agency that can encourage the finest of our young Americans to choose police work as their career. It can encourage the expansion of police science departments in our colleges and universities. It can raise the status of the police officer to be an ever-increasing influence for good in the community. It can help demonstrate that a police officer's job is far broader than the restoring of order and prosecuting crimes that have already been committed. Indeed, the National Institute is most important as the catalyst through which crime prevention, improved moral conduct, better family relations, and other lofty objectives may be achieved, and which, in turn, can contribute to lawful and useful behavior by citizens of all ages, of all races and of all classes."

Congressman McClory was introduced by the President of the International Association of Chiefs of Police, Thomas J. Cahill of San Francisco, Calif. Executive Director of the IACP is Mr. Quinn Tamm, who opened the organization's two-day meeting in Washington.

Supervisors...

some individuals did not tell the truth."

Dr. Jorge Torres, who has been conducting the prenatal care clinic denied Mrs. Zaugg's written charge that care is of poor quality. He said the main problem is patients who fail to comply with medical instructions. Dr. Torres said, "We actually do more for these people in many instances than the physician in private practice."

One of the complaints from recipients of general assistance had to do with approval slips, which must be signed by the supervisor before medical treatment or examinations at the clinics. They felt it demeaning to have to obtain a slip once each month, as during pregnancy.

In answer to that, most of the supervisors said they insist on a monthly check in order to keep in contact with the patient. One supervisor said many of his cases involve transient girls who leave the township before time of delivery. Another said his office has handled pregnancy cases ranging from 15 year old girls to women approaching change of life and has never yet had a complaint. He praised the personnel at County Hospital and said "they are doing an excellent job."

Mrs. Elizabeth Hewitt, director of the Lake County Dept. of Public Aid told the assembly she feels there should be a continuity of service. Where her agency, the State of Illinois, becomes involved is after the first born child in a family. She suggests a program whereby the county would continue on a case until after delivery, then her department would take over in those cases receiving approval. And, it was brought out, the normal waiting period for state approval is about 60 days.

Another meeting was suggested so that Mrs. Zaugg could be present, and at the same time discuss possible changes in present policy governing general assistance cases.

will speak during the evening dinner portion of the program. Experts in the fields of economic, business, industrial and land development will lead general morning sessions and afternoon seminars designed to present attendees with step-by-step solutions to common community problems.

Sewage treatment, industrial land and comprehensive city planning will be the topics of three concurrent afternoon seminars.

Douglas B. Morton, sanitary engineer for the Illinois Department of Public Health who is in charge of stream pollution prevention and cure, will explain the legal and conservation aspects of state codes. He will also describe official procedure in "cutting off" community permits when contamination levels become hazardous.

Where communities can find assistance in evaluating and improving treatment systems—from blueprints to operation stages—will be outlined by Matthew J. Riddell of Greeley & Hanson, Design Engineers. What to do when the bills arrive will be analyzed by Paul D. Speer, president of Paul D. Speer & Associates, Inc. He will point out ways municipal finance consultants assist in selecting and preparing methods of funding.

How an agent develops and lists available properties and the prospect's site selection checklist are among areas to be covered by panelists Robert Ady, vice president, Fantus Company; Gene Cermak, general manager—real estate, Swift & Company; and John E. Shaffer, vice president and director of industrial development, Chicago & North Western Railway Company.

Wheaton's comprehensive city plan will provide a case study for the third seminar. Historical context, methodology and an evaluation of short- and long-range uses of the plan will be furnished by Wheaton Mayor Marget Hamilton, City Manager Robert Eppley, and Thompson A. Dyke, planning consultant and manager of the Chicago office of Harland Bartholomew & Associates.

Music Center Enrollment Is Underway

Enrollment is underway for the fall term of The Music Center of Lake County, a non profit fine arts school, said David Goodman, director.

He said courses offered in the school are designed to meet the needs and abilities of people of all ages from pre-school to those who are retired. Lessons are offered in oil painting, ceramics,

Goodman

dance (including adult exercise through dance), art media for children, and all the band and orchestra instruments. There are also youth and adult choruses and orchestras.

The very young may study pre-

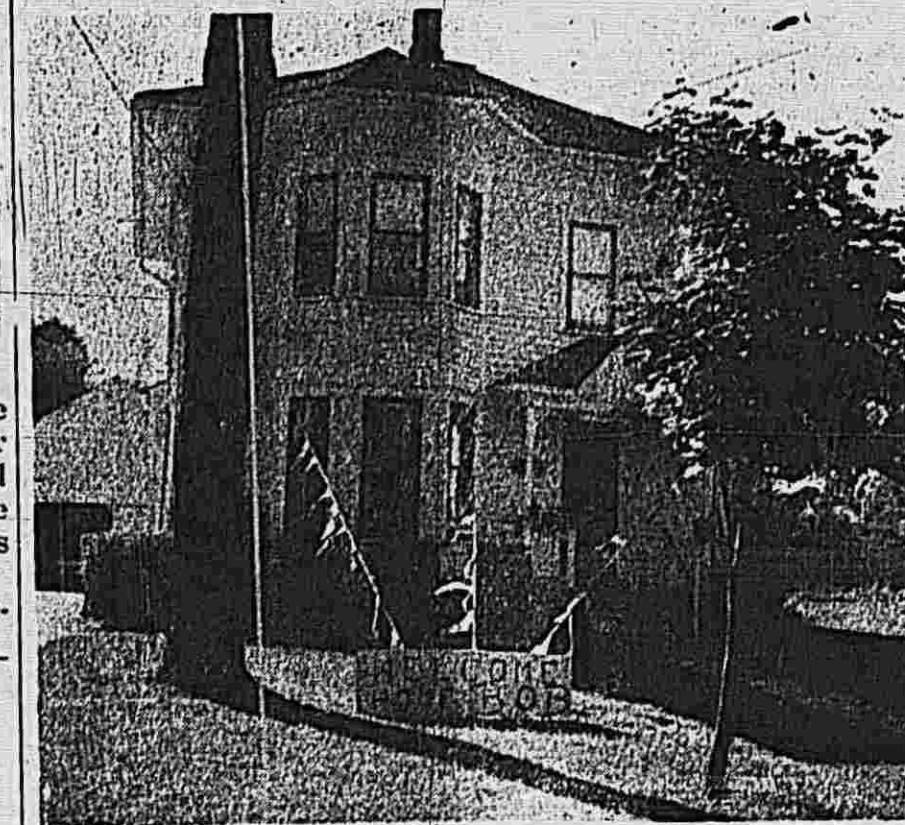

Instrumental music using the Carl Orff method of instruction, or perhaps enroll in dance or art media, said Goodman. Teenagers may enroll in folk or classical guitar classes, or join with adults in oil painting or ceramics classes.

Robert Krebs, president of the school and a Lake Forest resident, said tuition is based upon the ability of the student to pay; no student is turned away for lack of funds. This means, he said, that a large portion of the activities of the school are financed by donations from individuals, industry and business, through family membership which permit an entire family to take part in special cultural programs offered by the school.

The Wells High School Alumni Association is planning an all-class reunion to climax its first year of reorganization. It will be held at Antoine's Banquet Hall, 4368 N. Elston Avenue, Chicago, on Sept. 27. All class members, spouses, and teachers from 1936 through 1969 are being invited.

The Association has been able to contact many members, but relocation to other parts of Chicago and suburbs have made it difficult.

agreed that perhaps some arrangement can be worked out whereby the property owners might pay for the cost of the tile and the county would dig the trench. This would insure that no water could collect in the ditch and create a hazard for young children in the area. It was brought out that state funds were not available for this work as part of the overall project.

Without discussion the Board passed an amendment to the purchasing ordinance which allows expenditures of up to \$2,000 without full Board approval. Under prior provisions any proposed expenditures of \$1,000 or more had to pass the full Board.

The system requires that department heads or elected officials file a requisition for the item or items; it must be approved by his committee and the purchasing committee; and if \$2,000 or more is involved, passage by the Board at a regular monthly meeting.

Norman Drummond, 35, director of the Lake County Regional Planning Commission since 1966 will resign effective December 1 to enter private business. Drummond's letter of resignation was brought before the County Board last week.

Drummond was a member of the commission staff since 1959. He holds an MA degree from Ohio State University in city and regional planning.

By unanimous vote the Lake County Board of Supervisors approved a motion to send a message of condolence to Mrs. Everett M. Dirksen expressing sympathy on the loss of her husband, the late Senator from Illinois.

Mr. and Mrs. Haisman

Noreen Bruno Wed To Glen Haisman

Noreen April Bruno and Glen C. Haisman were married Sept. 13 at 3:30 p.m. in a Nuptial Mass in St. Peter's Catholic Church, Antioch.

The bride is the daughter of Mr. and Mrs. Joseph Bruno, of Antioch, and the groom is the son of Mr. and Mrs. George Haisman, also of Antioch.

Cheryl Ann Bruno, a sister of the bride, served as maid of honor while Jane Haisman, a sister of the groom was flower girl for the ceremonies.

The bride chose a gown of silk organza and chantilly lace trimmed with crystals and seed

pearls. She wore a crown in a three-tier wedding cake style decorated with borealis crystals and carried mums, roses and daisies.

All of the bride's attendants wore organza gowns decorated with lace inserts. Luann Haisman chose orchid, Janet Gregory chose yellow and Diane Fasano chose blue.

Best man was Alan Haisman, a brother of the groom and the ushers included Robert Haudek, Jerry Knigge and John Templeton.

Following a honeymoon in California the young couple will be at home in Antioch.

Altar, Rosary Meeting Draws Fifty Ladies

Approximately 50 ladies attended the September 8 meeting.

Reports were given on the Rummage Sale and the three-bake sales held during the summer. A partial report was given on the Salad Bar Luncheon, the final report will be made at the October meeting.

A color film, courtesy of the Metropolitan Life Insurance Co., "Looking at children" was shown. The film pointed out many health problems found among school age children, how teachers detect them, and how corrective steps taken by teachers and parents help the child become a better and happier student.

October 6 is the date for the next meeting of the society. There will be a Halloween party with costumes, games and prizes. All the ladies of the parish are invited.

Refreshments were served by Mrs. Terry Hanson, chairman, and co-workers Mrs. Francis Lombardo, Mrs. Reggie Szymanski, Mrs. Helen Thomas, Mrs. Pauline Hart, Mrs. Bernie Nyrnick, Mrs. Katherine Heinz, and Mrs. Pearl Roach.

Engagement Announced

Past governor, Scotty Birdsall has the honor of serving on the rules and order committee at this convention.

Joe Cassett, North Moose of the Winner Legion, conducted his first ceremonial on Sunday, Sept. 14, at the Waukegan Moose Home. There were ten candidates enrolled at this meeting. One was from Elkhorn Moose, seven from the Waukegan Moose and two from the Antioch Moose. North Moose Cassett announced that the Past N.M. dinner will be held at the Antioch Moose Home on Sunday, Oct. 11. Gene Hanner, past North Moose, had the honor of making several presentations at this meeting. trophy was presented to the Legionnaire members of the Antioch Moose for sponsoring the most members during his calendar year. This is the third year in a row that the Antioch Moose has received this honor. Accepting this honor for Antioch was South Moose Scotty Birdsall who also received for himself, the Legion of Honor pin and a life time membership of the Legion for his efforts in sponsoring members. Attending this meeting from Antioch were, Mr. and Mrs. Mike Phillips, Mr. and Mrs. Gene Hanner, Mr. and Mrs. Scotty Birdsall, Mr. and Mrs. Henry Grewe, Mr. and Mrs. Art Andersen and Ed Kurtz.

Lester Sperling, president of the Legionnaires of Antioch and Henry Grewe, secretary-treasurer, are all prepared to hold their first Legion get-together and pot luck on Sunday afternoon, Sept. 21. This get-together will be held at the Antioch Moose Home starting at 4:30 p.m. All legionnaires and their ladies are invited to attend. Since this is the first meeting of this new term, a good group is hoped for, so that plans for the new year can get under way. This has always been a very enjoyable afternoon for the legionnaires and president Lester Sperling hopes to make it even better. Entertainment has been planned and the potluck dinner will follow immediately after the meeting.

Eugene L. Thiele Makes Dean's List

Eugene L. Thiele, son of Mr. and Mrs. Emanuel Thiele, Rte. 2, graduate of Antioch High School, attained the Dean's/Honor Roll at Milwaukee School of Engineering during the Summer Quarter.

To be named to the Dean's Honor Roll at the Milwaukee School of Engineering a student must maintain a cumulative grade point average of 3.2 or higher out of a possible 4.0.

A total of 66 students attained the Dean's Honor Roll during the Summer Quarter which ended August 8, of whom 14 had a grade point average of 3.7 or higher. These students represent a cross section of those enrolled in electrical and mechanical engineering as well as those enrolled in the engineering technology curriculum at MSOE.

TOPs Present Annual Awards

On Sept. 4th the TOPs Cheerful Losers awards were presented to those who had eight weeks of perfect attendance; those who were past officers; the '68 chapter Queen and others.

The high point of the evening was the crowning of 4 month rally queens who will represent the club at the TOPs County Rally to be held at the J.M. Club in Waukegan, on Oct. 3.

The queens were presented with a tiara and they wore banners and capes to represent their royal station. Each queen was presented with a flower.

The Queen's song was sung.

Legion Auxiliary

By Del Jahneke

The 10th District American Legion Auxiliary Installation of "Junior" officers will be held on Sept. 21, at 2:00 p.m. at the Mundelein American Legion Home. Mrs. Richard Stastny, Mundelein, District Junior Activities Chairman, states that this installation is open to all junior and senior auxiliary members, with a social invitation to the 10th District officers.

The new Junior District officers will be: Kathleen LoMastro, Mundelein, Junior chairman; Judi Rizzo, Lake Zurich, Junior Vice Chairman; Secretary, Dawn Smele, Libertyville; Treasurer, Maureen LoMastro, Mundelein; Historian, Susan Rathmann, Antioch; Chaplain, Patricia LoMastro, Mundelein; Sgt.-at-Arms, Jeannie Walston, Lake Zurich; and Junior Past Chairman, Laura Verne, of Waukegan.

Plans will be discussed regarding their dates and places of District meetings. These Junior members are already slated to sing Christmas carols at Downey Hospital on Dec. 20th.

Refreshments will be served after the installation. All juniors are welcome to this installation or any of the junior district meetings, regardless of whether they

The evening concluded with a low calorie dessert and coffee in honor of the queens.

belong to an organized junior group or not.

Mrs. Bernard DeVries, Antioch unit junior activities chairman, says that junior members of the American Legion Auxiliary are daughters of either a deceased veteran, or a Legionnaire, and can range in age from infants to 18 years of age. At eighteen years they are eligible to be a senior auxiliary member. There are many programs and contests offered to the juniors in three age groups, in the fields of Americanism, Foreign Relations (scrap books and the dressing of dolls in native costume of country being studied). Choral singing, poppy hats and centerpieces, publicity and rehabilitation. The juniors make hundreds of tray favors for hospitalized veterans.

The Antioch American Legion Auxiliary No. 748 held their Past Presidents' Parley pot luck supper party, on September 8th, at the Antioch American Legion Home. Mrs. Ray Rathmann, Chairman, had artistically fashioned remembrances for the past presidents, and had cleverly contrived table decorations. Past presidents in attendance were Mrs. Joseph Horton, Mrs. Bernard Stadick, Mrs. John L. Horan, Sr., Mrs. Walter Ellis, Mrs. Lester Zilkus, Mrs. John W. Horan, Jr., Mrs. Ralph Fields, Mrs. William Dowden, Mrs. Lillian Hand Ham Dowden, Mrs. Lillian Hand Ham.

The unit members were privileged to have Charmaine Daniel and her mother, Mrs. Richard Daniel, as their guests. Mrs. Joseph Horton, Illini Girl's State Chairman, introduced Charmaine, Girl Stater. Miss Daniel thanked the unit for sponsoring her to Illi-

ni Girl's State, and gave a most interesting and informative talk about her week-long session there.

Card games were played after the meeting.

First Aid Courses Will Begin

Red Cross standard first aid courses are starting at six Lake County High Schools from Sept. 22 through the first week of October.

The schools include Deerfield, Grant, Libertyville, North Chicago, Waukegan, and Zion.

Persons interested in becoming first aid instructors should take the prerequisite standard course followed by the advanced first aid course at selected locations prior to the first aid instructor course which will be scheduled this Spring.

DePaul Gets Grant

TO Aid Students

DePaul University has received a \$229,000 grant from the Department of Health, Education and Welfare under the National Defense Student Loan Program, according to the Very Rev. John R. Cortelyou, C.M., DePaul president. The funds will be used to help an estimated 580 students to finance their education during the academic year 1969-70.

Scarlet Sage Is Flower Of The Month

Salvia splendens, commonly known as Scarlet Sage, has been chosen as the September Plant of the Month at Garfield and Lincoln Park Conservatories by John A. Lundgren, Chicago Park District Chief Horticulturist. It is one of the most brilliant red-flowered bedding plants in cultivation. Both the corolla and the calyx of the individual flowers are a brilliant scarlet. It is the lively one in the modern flower garden.

Salvia splendens grows best in full sunshine. It prefers a soil of moderate fertility, of good physical properties and enriched with organic matter. A constantly wet soil and one too rich in nitrogen will delay flowering and produce only a few flowers.

After frost kills the salvia plants, the flower stem with the tubular calyxes still attached can be cut and spray painted making attractive, dainty stems of bells for dry arrangements.

This season, scarlet sage is featured in many of the Outdoor Flower Gardens of the Chicago Park District. The four very large beds on the east side of Michigan Avenue (south of Balbo Drive) contain 18,200 salvias with a broad panel of White Magic petunias for contrast.

As the September Plant of the Month, attractive specimens will be on display at Garfield and Lincoln Park Conservatories.

LeMans Sport

GTO

Bonneville

(We take the fun of driving seriously.)

This is the way it's going to be. Pontiac's 70's

Surprised that Pontiac's setting the style for the umpteenth straight year? Of course not.

But you may be a bit dazzled to find out that Pontiac finally outdid Pontiac.

Take Bonneville. From the strong, new bumper-grille to the standard 455 under the hood, it's a rouser.

Inside: instant limousine. So luxurious some of the traditional big boys are already screaming.

One of the nicest things we could have done for Grand Prix's luxury was to leave it alone. We did. But we popped in a 455 V-8 for you to order. (It's an old Pontiac proverb that luxury

should have power.)

Enter LeMans Sport. A brand-new series in the Pontiac stable. Wait'll competition sees it pull the new 400-cubes-under-the-hood trick. We'll show you that one if you check the right box on the order form.

By now, you've spotted our '70 GTO. But maybe you haven't heard it. A sound so tough we've thrown modesty to the wind and dubbed GTO "The Humbler."

This is Pontiac '70. And we figure this is the way driving's going to be. So why wait?

It's at your Pontiac dealer's now.

GARDEN CLUB MEETING

The Lindenhurst Garden Club met Tuesday, Sept. 16 in the home of Mrs. Joseph Panek, 2214 Valley Drive. Officers for 1969-70 were installed.

WOMEN'S CLUB

Dr. Richard Hupper, principal of the new Intermediate School in Lake Villa was guest speaker at the Lindenhurst Women's Club at the meeting Thursday evening, Sept. 11. Dr. Hupper spoke on the type of classes to be taught in the sixth, seventh and eighth grades. There was a question and answer period after his talk.

Circle October 9 on your calendar. The wine tasting program that the ladies enjoyed two years ago, is being repeated.

ALTAR AND ROSARY SOCIETY

Fourteen women attended the Prince of Peace Altar and Rosary Sodality meeting Sept. 3. Reports were given by the various chairmen and a thank you note was read from the Allendale School thanking the Sodality for a gift of pillow cases.

Business discussed was having the two kneelers in the front row of the church upholstered and having the long tables covered. The tables are used for the salad bar luncheons and rummage sales. The ladies will donate \$25 to the Lake Villa Rescue Squad. The women also discussed where they would like to go for a retreat. Several ladies volunteered to call and make arrangements.

Father Lynch thanked the ladies for their support at the Summer Festival and Chicken Dinner. Approximately 2,340 dinners were served. The affair was termed a huge success, thanks to those who worked and supported the affair and to those who patronized Work has already begun on installing the much needed new furnace, in both the school and church.

Father Lynch announced that Mrs. Wanda Weiss was ill and would be in bed for a year.

DIAPER SET

Mr. and Mrs. Gary (Cheryl) Reijonen, 405 Thornwood Dr., Lindenhurst, welcomed their first daughter's and second child at Lake Forest Hospital on Aug. 27. Jill Renee tipped the scales to 9 pounds, 11 ounces when she was weighed in at 10:30 a.m. Their son, Michael Neal, will be 2 years old on Oct. 1. Grandparents are Mrs. Betty Reidel of Waukegan, formerly of Lake Villa, and Mr. and Mrs. Adrian (Marian) Reijonen, 1811 E. Grand Ave., Lindenhurst. The baby is their fourth granddaughter and fifth grandchild.

\$2 Million Already From Plate Fees

Close to two million dollars in 1970 motor vehicle license fees has been deposited in the state treasury at the present time, six weeks earlier than deposits were started in past years, Secretary of State Paul Powell said today.
The total of \$1,771,106 represents the fees for reassigned numbers. Applications for reassignment of current numbers are now processed as soon as they are received as a result of up-dated procedures and the use of automated equipment, Powell said.
Previously, reassignment applications were held until after the September 30 deadline, and then processed in bulk, he said.
"This faster processing enables the state to draw interest on those fees for six weeks longer than ever before," Secretary Powell said. "In addition," he pointed out, "motorists will have earlier verification that their numbers have been reassigned, because the license number is shown in our validation on the back of the checks."
Powell emphasized that persons wishing to retain their present numbers for 1970 must, under the provisions of the law, have their applications in his office on or before September 30.

THE ANTIOCH NEWS—3

A Sequoit ballcarrier runs into a crowd as Antioch took its lumps from Rockford by a score of 22 to 18.

Sequoits Bow To Rockford

If anyone looked at the game statistics they'd never believe that the Antioch Sequoits lost to the Rockford Harlem Huskies.

The Sequoits ran for 56 yards in the first half and 101 in the second for a total of 157 yards. The Huskies on the other hand were held to minus 12 yards the first half and 49 in the second for a total of 37 yards rushing.

Antioch also held the edge on the passing game, gaining 140 yards to Rockford's 116. However, the Sequoits completed only 5 of 21 and had 4 interceptions where Rockford completed 5 of 8 with no interceptions.

According to defensive coach

Bartos, "Our defense did a good job. With the exception of one or two mistakes in our defensive backfield, I was well pleased."

After receiving the opening kickoff Antioch punted to Rockford who punted back. The Sequoits started a drive on their own 40 yard line and scored on a 6 yard run by Junior back Eric Claeson. The attempted extra point failed and with 4:57 left in the first quarter Antioch led 6-0.

After another series of exchanging punts Antioch was on the move only to have their drive stopped by an interception by Rockford's Matt Hartman on his own 35. The Huskies then threw a 47 yard pass to set up a 14 yard pass for a touchdown. The pass was from Bob Young to Mark Sorrentino. The extra point attempt was good and at the half Rockford led 8-6.

Antioch kicked off to start the second half and Rockford's Don Foreman returned it 86 yards for a touchdown. The extra point

was no good and with 11:48 left in the third quarter Rockford led 14-6.

After an exchange of punts Antioch drive from their own 13 to score on a 13 yard run by Senior Louie Nielsen. The extra point was no good and with 3:08 left in the third quarter Rockford led 14-12. In that drive Soph. Doug Camp threw a pass to Junior Keith Bolton for a 74 yard gain.

Rockford intercepted a pass at the end of the third quarter on their own 23.

They scored on a 47 yard pass from Bob Young to Guy Kaufhold and made the extra point to make the score 22-12.

Antioch received the kick and marched from their own 43 to score on a 7 yard run by Doug Camp. The try for extra point failed and the final score was 22-18 Rockford.

Antioch is now preparing for Lake Forest this Saturday at home.

Intramural Teams Ready at Salem

Salem Consolidated announces its third intramural football teams and schedule for the 1969-70 season are completed.

Twenty-four games are scheduled for the coming campaign.

Leading the Indians for the coming season will be Kevin Sheehan, Glenn Vovee is captain of the Razorback — the 1968-69 champs; Ken Plants is captain of the Panthers, while Roger House and Stan Berger will share co-captain honors for the Badgers who were champs for the 1967-68 season. Tom Koenecke will head the Titans.

Acreage Closed By Vandalism

Disregard of the property rights of others has resulted in the closing of at least 15,000 acres of outdoor recreation land in Illinois, according to Director William L. Rutherford of the Department of Conservation.

The 15,000 acres recently closed to fishing, hunting, camping, picnicking and sightseeing was coal company property reclaimed from strip mining in Fulton County. Coal company equipment has been vandalized, power tools have been stolen, ducks and pheasants killed and at least one giant Canada goose stocked in the area by the Department of Conservation was shot and left to rot.

Creation of a new state park on abandoned strip mine property in Perry County helped to make up a portion of the deficit in recreation land taken out of public use. Gov. Richard B. Ogilvie signed legislation creating Pyramid State Park Monday, Sept. 8. The 2,524-acre area six miles south of Pinckneyville near Ill. 127 became part of the state park system with Ogilvie's approval of House Bills 860 and 861. The new park will rank as one of the five largest of the state's 84 parks.

Musgrave Breezes To Win

Elmer Musgrave of Mundelein breezed to his second feature win at the Waukegan Speedway as he copped the 50 lap Fall Championship for the late model super stocks. Jim Cossman of Waukegan finished a distant second with Bob May of Gurnee beating Ray Young of Dolton to the finish line for third.

Saturday night was the Fall Championship for both the late models and the hobby stocks with 13 events plus time trials being contested. Tom Reuss of Wildwood was the big hobby winner as he brought his championship car out of mothballs to win both his heat and the 25 lap feature. Cliff Burdette of Sturtevant won the dash and was a close second in the accident spiced feature.

Racing at the Waukegan Speedway will continue just two more Saturday nights with the Season Championship races for both the late models and the hobby stocks scheduled for Saturday night, Sept. 27. Championship points will conclude with that race.

Trapping Dates Set

Trapping season dates for mink, muskrat, raccoon, opossum, skunk, weasel, hed or gray fox and beaver have been announced by the Illinois Department of Conservation.

The season for furbearers except beaver opens at noon, Saturday, Nov. 15, and ends at noon, Wednesday, Dec. 31, in the Northern Zone. In the Southern Zone, the season begins at noon, Tuesday, Nov. 25, and will close at noon, Monday, Jan. 5, 1970.

Beaver may be taken with spring traps from noon, Wednesday, Dec. 10, until noon, Saturday, Feb. 28, 1970 throughout Illinois.

The late model feature started out in rough fashion as Vern Browne of Wauconda in his controversial 1969 Dodge Charger pushed pole sitter Delain Doles of Kenosha very hard into the first turn at the green flag. Doles spun in front of the whole field and a restart was necessary.

On the restart, Browne again pushed Doles, this time in the 3rd turn. Doles steered back into Browne and with the lead cars skidding down the homestretch Doles received a flat tire and Cossman suffered some front end damage. The race continued without restart.

Browne held first for two laps before last week's feature winner Al Gutche of Pleasant Prairie, powered in front. Cossman followed right behind in second and put the pressure on Gutche. On the 5th lap Musgrave passed Browne for third and set out for the leaders.

By the 10th lap it was Gutche, Cossman and Musgrave in close order followed by May, Browne, Scott Moore of Mundelein and Young. On the very next lap Musgrave moved from third to first on a daring move in the fourth turn. Cossman challenged Musgrave for the lead in the next few laps, but then dropped back taking second money. May moved into 3rd on the 19th lap and Young slipped into fourth 10 laps later.

The hobby feature started 20 cars and it took two restarts to get one lap in the book. The worst wreck came on the restart as leader Tom Berk of Glenview lost a wheel and slammed hard into the pit wall. Meanwhile as the cars dodged him three crashed together with such force in front of the stands that three wreckers were required to separate two of the cars. There were no injuries.

Dan Hanlon of Waukegan paced the survivors for one lap before Chuck Chadwick of Barrington took the lead. Reuss fought his way all of the way from the rear to pass Chadwick on the 13th lap for the lead.

Reuss slowed in the late going as a tire started going flat and

College Names

(Continued from page seven) He is married to the former Miss Martha Harris, a 1963 Grayslake graduate, and resides in Libertyville.

Bruce Smith, a successful high school basketball coach at Riley High School, South Bend, Ind., has been named as head basketball coach. Coupling traditional Indiana coaching know-how with the talent of our district stars, we can look forward to an exciting season: Bruce and his family live in Wildwood.

The basketball season opens November 15, 1969, against Rock Valley College. For its initial basketball season, CLC has a competitive schedule which should provide much excitement and interest throughout the college district. Home games will be played in the high school gyms located within the district.

Dick Frankenberger brings to CLC an aggressive and winning style of wrestling. Frankenberger graduated from SIU where he lettered in wrestling. Last year Frankenberger was the assistant wrestling coach at the University of Missouri. Dick and his wife reside in Lindenhurst.

The wrestling season opens Dec. 2, 1969, against Harper College. The prospects for developing a strong team are excellent and should provide stiff competition for competing colleges.
